Assistant Director: Brooke Sturgis

Educational Background:

I have an Associate's degree in Early Childhood Education. I am currently in my final year at Liberty University working towards my Bachelor's with an attached Master's degree also in Early Childhood Education.

Experience in the Field:

I began working with children in a volunteer setting in 2007. From then on, I have worked in a countless number of internships, infant through pre-kindergarten classrooms, as well as many school-age rooms.

Family:

I have been married to my wonderful husband, Matthew, since April of 2014. Together, we have a two year old son, Greyson, and four dogs: Redd, Teddy, Morgan & Sangria!

Special Interests & Hobbies:

When not at the beach, I enjoy reading, cooking, and starting (key word) new DIY projects.

Why I Chose this Field:

I believe education is the key to any locked door, and my daily goal is to provide children with the knowledge that they are capable of anything they set their minds to.
